Letter No.1715/1-30, dated the 30th June 1932, from the Inspector of Schools, Coorg and Bangalore.

(1) The Correspondent, Srimathi Kamalabai Girls' High School, Bangalore, proposes to award free studentships to deserving girls up to a limit of 10 per cent of the strength of the School.

(2) Under Rule 34(ii)(b) of the Grant-in-Aid Code for Indian Schools, half the expenditure incurred on scholarships and fee remissions up to a limit of 10 per cent of the fee income reckoned at standard rates, may be paid to a school in addition to half the approved net cost of maintaining the school.

(3) Srimathi Kamalabai Girls' High School gets a teaching grant equal to the net cost of maintaining the school and not as under Rule 34 of the Code as is explained below:-

| Srimathi Kamalabai Girls' High School. | Other Secondary Schools. (Rule 34) |
|---|---|
| The grant is equal to the expenditure minus Income from fees minus Interest on Endowment. | The grant is equal to ½(Expenditure minus Income from fees at standard rates) plus a grant equal to the loss in fee income on account of the award of fee concessions to backward classes etc., plus half the expenditure incurred on scholarships and fee remissions up to a limit of 10 per cent of the fee income reckoned at standard rates. |

(4) The grant of fee remissions in Kamalabai Girls' School will proportionately increase the amount of grant payable and the Inspector says that the extra cost involved in the grant of fee concessions in this school was not taken into consideration while submitting the budget proposals for the current year. He, however, recommends that sanction may be accorded to the grant of fee concessions up to a limit of 5 per cent of the total strength of the school and says that the extra cost will not be heavy and can be found from the sanctioned budget estimates. The Code contemplates fee remissions up to 10 per cent of the ~~xxxxx~~ fee income and not of the total strength of the school. Concessions granted on the basis of the total strength may cost more, especially when the concession is given in the higher Forms.
